

No Hassle Compression

CV20 – 20 HP VRU

DISCHARGE PRESSURE (psig)

	10	20	30	40	60	80
FLOW	99	93	85	79	66	54

Pressures in PSIG Flow Rates in MSCFD
Performance based on 2500 ft, gas density .665, ambient temp 68°F

CV20

Standard Features

Compressor - Ro-flo 4CC

Driver - GM 3.0L

Flow Range - Flows to 99 mscfd

Pressure - To 80 psi discharge (may require inlet cooling)

Options

- Trailer
- Electric Drive
- CPC Controller
- Scrubber Autodrain
- Gas Detector
- Fireloop
